HAVDALAH AFTER: 5:17 PM

Parashat LEKH LEKHA... Abram's departure from his ancestral home in Haran and his initial contact with G-d mark not only the birth of a new religion but also the

beginning of a spiritual revolution. The Torah depicts Abram/Abraham as a man of action with a deep capacity to display compassion and promote righteousness. In this regard Abraham – the first Hebrew – became an example to all future generations of Jews.
