Parashat **TERUMAH**... With the exception of a few chapters, the remainder of Exodus offers the reader a description of the Tabernacle, the priestly garments, and other objects associated with Israel's sacrificial cult. The Tabernacle was portable and served as the central place of worship for the Jewish people during their desert wanderings as well as their dwelling in the land of Israel until Solomon's construction of the Temple in Jerusalem.

Candle Lighting & Services.....5:30 PM

On Friday evening, March 7, the Sephardic Temple will be one of hundreds of synagogues across the continent that will celebrate a traditional, joyous communal Shabbat with services and a festive meal.

Led by *Rabbi Golden and Cantor Yonati*, Shabbat Across America at the Sephardic Temple is an occasion to reintroduce the community to a practice that unifies the Jewish people. Everyone is invited... singles, couples and families. Bring your neighbors, your friends, and your whole family – and let's celebrate Shabbat!

*We extend our thanks and deepest appreciation to
The Ike, Molly and Steven Elias Foundation for their gracious subvention.*

Edward & Susan Tawil support this program in memory of Eli and Julia Rousso.
