**PARSHAT KEDOSHIM** spans two chapters - Leviticus 19 & 20 - of the Holiness Code (a distinct unit whose central idea is that the entire people Israel bears the responsibility of seeking to achieve holiness). The commandments of chapter 19 cut across all categories of life. They deal with ritual, with business ethics, with proper behavior toward the poor and vulnerable, and with family relations. The modern distinction between religious and secular is unknown to Torah.
