#### Parashat BEHA'ALOTEKHA...

is a long parshah with many different themes. It is divided into two separate sections by the two inverted "nuns" which precede and follow Chapter 10, Verses 35-36. Quite suddenly the idyllic existence which is described in the first ten chapters of Bemidbar give way to dissension, complaint, and rebellion against G-d. Despite the fact that the Israelites lived in an ideal environment where all their needs were supplied, they allowed their pettiness and greed to destroy the very comforts they had gained.
